

# **Chronology of National Agroforestry Policy Development in Nepal**

*2014-2019 AD (२०७१- २०७६ BS)*

## Chronology of National Agroforestry Policy Development (2014-2019 AD)

1. 2014: Nepal's Agriculture Development Strategy (ADS) recognized agroforestry as a vital component of agriculture.
2. 2014: First discussion on potential need of a National Agroforestry Policy initiated by then Ministry of Agriculture and Cooperative (MoAC), Ministry of Forest and Soil Conservation (MOFSC), and World Agroforestry (ICRAF).
3. 2015: First National Consultation Workshop on Agroforestry involving more than 150 diverse stakeholders representing the relevant Government Ministries/departments, educational and research organization, and relevant non-governmental organizations including farmer association & forest user groups etc., was jointly organized by then MoAC, MOFSC, ICRAF and ANSAB (Asia Network for Sustainable Agriculture and Bioresource) at Kathmandu. Based on this consultation, the Hon'ble Ministers of MoAC and MoFSC released the **"Kathmandu Declaration on Agroforestry, 2015"** which was signed by the respective Secretaries of these Ministries. The declaration identified the need of a National Agroforestry Policy for Nepal, and potential in partnering with ICRAF was recognized. (<http://www.worldagroforestry.org/sites/default/files/Kathmandu%20Declaration%20on%20Agroforestry-2015.pdf> ).
4. 2015: Then Ministry of Agri. Development (MoAD) nominated an Agroforestry Focal Point.
5. 2015: Senior Officers from both the MoAD and MoFSC made presentations at the Regional Conference jointly organized in New Delhi by ICRAF, APPARI (Asia Pacific Association of Agricultural Institutes) and other partners. Delegates from 10 Asian countries, including Nepal emphasized the need of National Agroforestry Policies for their countries. (<http://www.worldagroforestry.org/sites/default/files/users/admin/New%20Delhi%20Action%20Plan.pdf> )
6. 2016: SAARC Regional Coordinated Program Consultation on Agroforestry organized in Kathmandu. (<http://www.worldagroforestry.org/sites/default/files/users/admin/SAARC-Kathmandu%20Resolution%20on%20Agroforestry-2016.pdf>).
7. 2016: A seven member **"Inter Ministerial Coordination Committee (IMCC)"** established to oversee the policy development process. Joint Secretary, MoAD nominated as its coordinator; with Joint Secretary, MoFSC; representative of then Ministry of Population and Environment (MoPE); Agroforestry Focal Points (MoAD/MoFSC); and the Director of South Asia Regional Program of ICRAF as members.
8. 2016-2017: MoAD in collaboration with ICRAF received and implemented a Technical Assistance program from Climate Technology Centre and Network (CTCN) (<https://www.ctc-n.org/>) to develop the national agroforestry policy. The process also received support from CGIAR Research Program, Forest Tree and Agroforestry (FTA).
9. 2016-2017: Three Geo-Regional Consultation Workshops organized at Mustang, Dhankuta and Chitwan, & 3 National Consultation Workshops organized at Dhulikhel and Kathmandu. A total of 360 diverse stakeholders representing policy makers and senior officials from nodal ministries, N/INGOs, civil society, academics and researchers, service providers, financial and insurance institutions, farmers (agriculture, livestock, NTFP), farmers' associations (private/community forest, peasants), foresters, wood Industries, businessmen, planner and experts, finance and legal experts, and representatives of local governments contributed to discussions.

10. 2017: IMCC members had a study tour to India (globally the first country developed and implemented a National Agroforestry Policy) and interacted with policy makers and scientists to understand the process of policy development and implementation. 2018: IMCC prepared a roadmap for policy development which was approved by both the nodal ministries.
11. 2018: Following the road map and based on the recommendations and inputs collected through various consultations from 500 stakeholders, IMCC through its 14 meetings finalized the draft policy, and submitted to the Secretary, MoAD.
12. 2018: MoAD circulated the draft policy for consent and clearance to 1) Ministry of Finance, 2) Ministry of Forest and Environment 3) National Planning Commission (NPC) 4) Ministry of Law and Parliament Affairs. 5) Department of Agriculture 6) Agriculture and Forest University 7) Farmers' Commission, and 8) National Agriculture Research Council (NARC).
13. 2018: MoAD received inputs/ consent from above ministries and institutions.
14. 2019: Modified draft policy submitted to Cabinet sub-committee.
15. 2019: Draft policy was reviewed by the Cabinet sub-committee. Comments received were incorporated, and the revised version presented to the Cabinet sub-committee.
16. 2019: Cabinet Subcommittee approved and submitted the policy to Cabinet.
- 17. 2019: National Agroforestry Policy of Nepal Approved by the Cabinet on 8 Ashad, 2076 (23 June 2019).**
18. 2019: Hon'ble Agriculture Minister formally launched the National Agroforestry Policy in the presence of representatives from MoFE, MoALD, FAO, ANSAB, NAF (Nepal Agroforestry Foundation), civil societies, invited regional guests and ICRAF on 3 July, 2019. ([http:// www.worldagroforestry.org/blog/2019/09/23/how-grow-national-agroforestry-policy](http://www.worldagroforestry.org/blog/2019/09/23/how-grow-national-agroforestry-policy)).
