Terms of Reference (ToR)

Post Title: District Project Coordinator (DPC)
Duty Station: Accham district
Duration: Post valid for the entire project period. Service contract issued annually upon satisfactory performance.

Key Responsibility:

The District Project Coordinator will work under the overall guidance of National Project Director (NPD) and National Project Coordinator (NPC) and under the direct supervision of National Project Manager (NPM). The DPC will be part of the project management team and will be responsible for the overall implementation and delivery of project interventions at the district level. The DPCs will team together with Project Management Unit (PMU) staff and national thematic experts in realizing the project outputs and outcomes.

The DPC will specifically:

1. Act as a liaison with provincial, district and local authorities. Work closely with the local level stakeholders to ensure the project activities are implemented and monitored to achieve the intended project’s outputs.
2. Oversee and manage project implementation, monitor work progress, reporting and ensure timely delivery of outputs within the district.
3. Promote community dialogues between stakeholders for cross learning on EbA approaches.
4. Provide support to PMU in the preparation of annual work plans, quarterly work plans, and periodic progress report as deemed necessary.
5. Prepare progress reports (monthly/quarterly/annual) from the field level activities against the annual/quarterly work plan.
6. Work closely with Monitoring & Evaluation Officer in developing and facilitating the monitoring and reporting system. Provide technical support and input while preparing the project reports and documents.
7. Provide support to national thematic consultants in organizing consultative meeting, workshops, trainings, exposure visits as part of the project regular business.
8. Participate in the Inter-Ministerial Climate Change Coordination Committee (IMCCCC) meetings and share progress on EbA interventions.
9. Support and promote gender equality and social inclusion in program activities.
10. Undertake any other responsibilities relevant for EbA as required by PMU.

Qualification & Experience:

A Master’s degree in Forestry, Agriculture, Livestock, Veterinary or related discipline with over five years of demonstrated work experience in the areas of natural resource management.
watershed management, rangeland management biodiversity conservation, ecological restoration and livelihood/enterprise promotion. Sound working knowledge of project management tools, social mobilization techniques, institutional capacity building, preparation of work plans and technical reports is a must. Prior work experience of having worked and collaborated with local bodies and institutions will be an asset. Candidates must be computer literate with strong analytical, interpersonal and report writing skills both in English and Nepali is required.
